"The activity of the Austro-German forces in the eastern, or celeidea, division of the Carpathians, is becoming the dominant ature in the military situation. The enemy's movements are rapty developing within a front extending from Dukla Wyszkow, a stance approximately of one hundred miles.

"Their columns are trying to cross the mountains by numerous uses within this front, fed by four important railways from the utb. Prasmysl stands in the ensire of the enemy's line of admon, and its relief forms apparently the immediate objective of the veders."

ANNUAL FEBRUARY **FURNITURE SALE**

On Monday, February 1, we commence our Annual ture Sale, an event which is looked forward to by thousands of people of Hamilton and neighborhood.

. This year the bargains will be greater than ever. Ownot only of furniture lines, but Carpets and Curtains also, we are able to secure unprecedented prices, and it is at least a safe statement that these are the best values we have ever been able to offer.

Do not forget also that we have not allowed the price to affect the quality. We will not be guilty of selling trash furniture to create a sensation. We realize you will remember the quality long after the price has been forgotten.

These goods are made in Canada—yes, and more, much of our furniture is made in Hamilton. So by buying here you not only save money for yourself, but furnish employment for many fellow-citizens.

Special Prices on Draperies, Cretonnes, Chintz, Curtains, Etc.
